

# Because ... life happens

Here is one good reason you need disability insurance: your family.

What if an accident or an illness kept you out of work? How long would you be OK financially without your paycheck? How would your family meet monthly expenses and ongoing bills? Most people admit they'd feel the financial pinch in just one month.\*

That's why there's disability insurance. If you were sick or injured and unable to work, it would replace a portion of your paycheck until you could work again. Think of it as insurance for your paycheck.

Life can happen in an instant, so protect your financial future with disability insurance. Learn more at [www.lifehappens.org/DI](http://www.lifehappens.org/DI).
